### Business women lauded

The week of Oct. 18-24 has been declared National Businesswoman's Week in Upland and Mayor George Gibson has issued a proclamation to that effect.

The decree states:

Whereas working women constitute 26 million of the Nation's working force, and are constantly striving to serve their communities, their states and their nation in civic and cultural programs, and

Whereas major goals of business and professional women are to help create better conditions for business women through the study of social, educational, economic and political problems; to help them be of greater service to their community; to further friendship with women throughout the world, and

Whereas all of us are proud of their leadership in these many fields of endeavor,

Now, therefore, I George M. Gibson, Mayor of the City of Upland, by the authority vested in me, do hereby proclaim October 18-24, 1970 as National Business Women's Week sponsored by the National Federation of Business and Professional Women's Clubs, Inc., and urge all citizens in Upland, all civic and fraternal groups, all educational associations, all news media and other community organizations to join in this salute to working women by encouraging and promoting the celebration of the achievements of all business and professional women as they contribute daily to our economic, civic and cultural purposes.

### New Rotary Club begun

Rotary International granted a charter on September 30, 1970 to the Cucamonga Area Rotary Club. The new club was sponsored by Upland Rotary Club through the efforts of its president, Harvey Stone, the officers, board of directors and the entire membership.

Dr. Alton Scott, governor of District 530, was pleased to make the announcement of this new club which is the first to be chartered during his administration.

Officers of the new club are Frank J. Lesinsky, Otis Elevator Company, president; Carleton Lightfoot, Etiwanda School District, vice president; Edmund Accomazzo, Cucamonga Winery, treasurer; Jimmie Duke, Lockheed Air Service, secretary; Ralph W. Bush, Union Steel Company, sergeant-at-arms.

In addition to the officers listed above Leon Lucas of Lucas Land Company; Richard Frey, Fasson Products; Mark Miller, Marquardt Industrial Products Co. and James Prunella, Santa Anita Mobile Homes will comprise the board of directors.

Official chartering ceremonies will take place at Regina Winery Restaurant on Wednesday, October 21, at 6:30 p.m. at which time Rotary International President, William E. Walk, Jr., who is making a special trip for this occasion, will be the keynote speaker.

### Hearing scheduled

October 19 at 11 a.m. has been set by the San Bernardino County Board of Supervisors for a hearing on a petition to abandon a portion of the surplus right-of-way on an easement along the north-south quarter line of sections 13 and 24 of the San Antonio Heights east of Mountain Ave.

### Chamber meeting Oct. 16

The general membership meeting of the Upland Chamber of Commerce will take place Friday, October 16 at 7:30 p.m. at the Upland Inn, 123 E. 9th, Upland.

According to Tony Malone, Chamber manager, the public is invited to attend and hear the League of Women Voters present the 20 ballot propositions. The league will offer both the pro and con arguments on each issue.

The breakfast will be \$2 per person.

### Flood work to go ahead

The \$10 million requested by the U. S. Forest Service for emergency flood control work, "will be made available through the Forest Service" according to information from the office of Congressman Jerry L. Pettis. Wednesday Ralph Burns, director of the Office of Emergency Preparedness, announced that the Federal office of Management and Budgeting had denied the request. That action was later confirmed by Pettis' office.

The request, according to the Pettis' spokesman, "was for additional funds". But, "after talking with the assistant director of the Forest Service, we have been assured the Forest Service will do the work with money in its own budget already."

If funds prove insufficient for the necessary projects, a new request for money could be made at a later date, the spokesman said.

### Street temporarily closed

Lowering and widening of a portion of 22nd Street from Euclid Avenue west for 825 feet has caused the closing of 22nd Street until approximately Oct. 24.

Since the work extends halfway to Valencia School, parents are advised to reach the school using San Antonio Avenue on the west.

The \$13,198 project, financed by gas tax revenue, includes lowering and widening the street and reducing the four-foot deep ditches on either side to about one foot in depth.

## Mirror of the past

### Cultural Center

Beatrice Riggs, president of the Chaffey Communities Cultural Center, stands on the steps of the building which houses the collection of area artifacts. She is one of the

three founders of the center and is serving as second president, her fourth year in that capacity. The center is now located at 525 W. 18th St., in Upland.

### Woman of achievement

## Beatrice Riggs works for history

BY BOBBE MONK

"I guess I come by my love of history honestly," says Beatrice Downing Smith Riggs, president of the Chaffey Communities Cultural Center and first woman appointed a commissioner on the San Bernardino County Museum Commission.

"I've always been interested in 'why' things were done," she still is.

Beatrice was one of the founders of the cultural center, along with Mrs. George Whitney and Robert Oiler, that is now located at 525 W. 18th St., in Upland. She is the second president of the center and is serving her fourth year in that capacity.

The center building is the former Episcopal Church that had been located at F and Euclid in Upland.

"We wanted to save the building and the Shields of the Apostles paintings inside, so we leased land and moved it to the 18th Street address. We drew plans for an art gallery, a 'real' museum, a band shell for symphony music outdoors, and the old building to be incorporated into a cultural center.

"We've only managed to develop the museum so far.

"To move the former church, the building had to be cut into three pieces. After settling it on the lot, the problem of plumbing (there had been none before), parking lot, sidewalks, curbs and sewer took up the available funds.

"Anything we get, we spend," Beatrice says, "except for the building fund, which is growing, slowly."

A variety of displays are on view at all times during the museum's hours, 1-4 p.m. Monday, Wednesday and Saturday. Currently in preparation is the display of an old kitchen, circa 1900, which should be ready by Thanksgiving.

The museum is always looking for items from the surrounding communities which it is intended to serve. These include Montclair, Ontario, Upland and the Cucamonga District.

"We want old pictures, articles, furniture, anything connected with the history of the communities. These things should be saved, and they're getting away too rapidly. If we don't preserve them now, we'll never get it done, and I think it's important," Beatrice says.

Possibly due in part to her interest and work at the center, Beatrice was surprised and pleased to learn earlier this year that San Bernardino County Supervisor Daniel Mikesell had nominated her for a vacancy on the county museum commission, the first woman to hold such a post.

In this new area of endeavor, her first and foremost aim has been the preservation of the John Rains house at 7869 Vineyard Avenue in Cucamonga. Sometimes known as the Casa de Rancho Cucamonga, it is the oldest fired brick house in San Bernardino County. Built in 1858, it has recently been the target for vandals and was scheduled for demolition.

A few people were concerned about it, among them Beatrice Riggs. Concentrated effort and a lot of conversations later, the home has been secured by the county on a \$1-a-month lease basis until the property surrounding it is sold. At that time, the county will complete purchase of the home.

Getting it to the lease basis, with something left to work with, took some doing. Vandals have stripped the fine, old house, removing large amounts of bricks, tile work, plumbing and light fixtures inside and out.

"I think it should be saved," Beatrice says. "We are going to try to buy some acreage with it and restore the building to as nearly the original as possible. We do have the original floor plan which shows the rooms and where the niches were for religious figures. It will probably be made into a beautiful art gallery in the county museum's growing complex of satellite museums."

This, then, is how Beatrice is involved today. These involvements are not unique for her. They are just two more accomplishments by a woman whose life has been full of them.

As a widow in the early 1940s with a small boy and little education, she worked for a while as a waitress while attending school to learn typing. She "kept improving and changing jobs" until she got to be an executive secretary. The money, however, was not within livability range.

Undaunted, she began working for three months each summer in Yellowstone National Park, beginning as a relief girl to the cashier and finally working in personnel in the Los Angeles office. In the winter she would work at various places. In 1942, because of the war, the park was closed and she sought and obtained a permanent job with an insurance firm.

In 1947 she married Earl Riggs, an Upland citrus grower. Riggs died in 1965 as a result of an automobile accident.

After her wedding, Beatrice moved to the Riggs' ranch and learned about remodeling and refurbishing and between times baked bread. She "inherited four fine children" with her marriage, but at that time they were grown, so she served mainly as a willing and loving grandmother.

Eventually, the Riggs wanted to sell the grove so she studied real estate for three years and got a license, and began to work as a realtor.

"At one time, I was one of the top brokers," Beatrice relates, "but not any more, because I don't work at it that much."

Is that all? Hardly!

During the span of years between her marriage to Mr. Riggs and today, Beatrice has been a member and president of the Upland Woman's Club (1958-59); charter member of Zonta for Upland-Ontario; member of the West End Symphony League; national president of the Auxiliary to the Sons of Union Veterans of the Civil War (1959-60); member of the Ontario-Upland Board of Realtors; member and financial officer of the San Bernardino County Federation of Women's Clubs; member of the Upland Business and Professional Woman's Club; president of the Chaffey Communities Federated Republican Woman's Club (1961-62). She also ran for 72nd District Assemblyman, but lost.

Taking note of Beatrice's long interest in her community and county, the Upland BPW last week named her their "Woman of Achievement" for 1970, a well-earned commendation for this smiling, friendly, outgoing woman whose accomplishments are real and continuing.

# Out of my mind

BY  
JENNY KIRKPATRICK

Typewriter talk --

Me: "Good morning, typewriter, what happened to your 'I'?"

I have a black I.

Me: "How did that happen? I suppose you ran into a door?"

That remark isn't funny. As a matter of fact I did or rather I was pushed into a door.

Me: "Tell me about it."

You know we are remodeling the offices and everything is pushed from here to there. Well, the management was pushing me and we ran into a door. Hence the black I.

Me: "Does it hurt?"

Of course it does.

Me: "I'm sorry. What are you doing for it?"

Thanks for your sympathy. I am putting an ice pack on it, and please take it easy with the I's. My I hurts. Enough of my problems. What are you going to write today?

Me: "Fires seem to be the one unifying item this time. You know Cucamon-

ga, Upland, Diamond Bar, Walnut and Rowland Heights have all been plagued by fires recently. Luckily, no major damage to people or property was done."

That's good. I hear the people all helped one another, just like in the good old days.

Me: "Yes, they did and it was heartwarming to see the number of volunteers who pitched in to help their neighbors."

Why don't people do this more often, I mean help each other?

Me: "Who knows? Violence seems to have more appeal today. I guess no one has a philosophy of life any more."

What's Philosophy of life?

Me: "Something one lives by. You know, like the philosophies of Plato, Socrates, Emerson and others."

What do they say?

Me: "It's too long to discuss here, but as an example of a philosophy, Ralph Waldo Emerson

once said when he heard the world was coming to an end, 'Is that so? In that case, I will just have to do without it.'"

What would people do without a world?

Me: "You ask too many questions and I'm not getting my work done."

Here we go again. Just when the conversation gets interesting, you plead your work is calling you. That's a cop out.

Me: "Let's not fight, I need your help."

Okay, on this helping people, did you know Montclair is taking the initiative to build a Mini-Bike park? This will help people.

Me: "It certainly will. The matter has been a problem in the cities for a long time."

Also, two of the most forward looking cities in the area of environment and beautification have been La Verne and San Dimas. They haven't talked about it, they've done something. Really something like cleaning up the trash and planting flowers around areas. They even had a week dedicated to beautification.

Me: "They are doing a good job and the ladies are working hard in those cities to keep them beautiful."

I am going to have to get some more ice for my pack. You've punched my I and made it worse. There you go again with the I (ouch).

Me: "You're only complaining. My I's aren't black -- they're normal, as you can see."

## October fashions

Practicing their fashion modeling for the Family Service Auxiliary's fashion show, are Mrs. Victor Schell and Tammy and Tricia. The show titled "October Happenings" will be held Saturday, Oct. 17 at 11:30 a.m., at the Pomona Elks Club, 1471 W. Holt Ave. The public is invited to attend.

## 'October Happening' fashion show theme

The Family Service Auxiliary's "October Happening" will be a luncheon and fashion show on Saturday, Oct. 17, at the Elks Club, 1471 W. Holt Ave., Pomona.

The social hour at 11:30 will begin the day's festivities, followed at 12:30 by luncheon and at 1:30 by the fashion show.

Members of the auxiliary and their children will model fashions from Mona's in Upland, Teeka's Teens and the Magic Cradle in Pomona.

Mrs. Victor Schell is chairman of arrangements, and Mrs. Jim Vest and Mrs. James Kline-

felter are coordinators. Mrs. Charles Barr will do the commentary.

Other chairmen are the Mmes. Bruce Goetting and Richard Baker, prizes; Matthew Anderson and Joel Goodrich, decorations and favors; and W. J. Link and Bruce Magnus, tickets and programs.

Proceeds from the show will be used towards support of the West End Family Counseling Service Agency.

Donation is \$1.75 and luncheon \$2.25. Tickets are available by calling Mrs. Schell at 985-3168.

## Cucamonga doctor dispensing HOPE

CUCAMONGA -- Dr. William B. Walsh, founder and president of Project HOPE, announced that Harold Hodge Royalty, M.D., M.P.H., from Cucamonga, has been appointed deputy chief of staff and coordinator of public health programs of the hospital ship S.S. HOPE for its 1971 West Indies mission.

Until the ship's arrival in Kingston, scheduled for January, Dr. Royalty will be serving as chairman of the HOPE advance planning team, on site, preparing for the ship's arrival. The first contingents of the HOPE Advance Team arrived in Kingston Oct. 2.

Before joining HOPE earlier this year, Dr. Royalty served as medical administrator of the Family Planning Services of L. A. County, U.S.C. Medical Center, and Clinical Instructor of Ob-Gyn (Family Planning) at USC Medical School in Los Angeles.

He received his medical education from Harvard Medical School and his public health training from U.C.L.A.

In January 1971, the S. S. HOPE will sail to Kingston, Jamaica, for ten months on its ninth teaching/treatment mission since 1960. The West Indies mission marks the beginning of HOPE's second decade of service and the start of a three-year hemispheric program. Missions will follow to Brazil, 1972, and Venezuela, 1973.

The decision to send the hospital ship to Jamaica came in response

to an invitation extended by the Ministry of Health through its chief medical officer. In the West Indies the HOPE staff of doctors, nurses, and paramedical personnel will conduct medical teaching programs in classes, laboratories, and wards aboard the hospital ship; with the medical personnel at the University of the West Indies School of Medicine; and with other Ministry installations throughout the island republics.

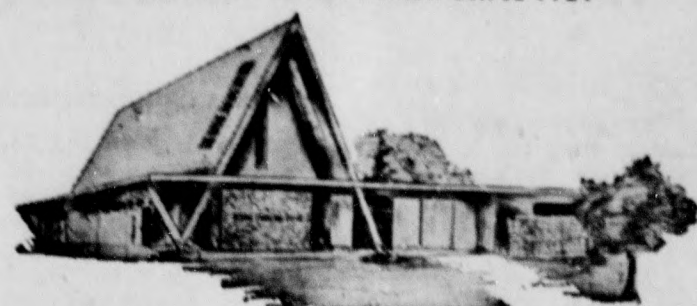

### Assigned to HOPE

Dr. Harold Hodge Royalty talks with HOPE's founder and president, William B. Walsh, M.D., about plans for the upcoming hospital ship S.S. HOPE's 1971 teaching/treatment mission to Jamaica in the West Indies.

By Bobbe Monk

A few more thoughts on the fire: Among those turning out to help was Cucamonga Cub Scout Pack 643. This group of young men solicited funds from neighbors and others totaling \$16 and turned it in to help pay for the firefighter's food bill. Good Going boys!

Also not mentioned previously was Bennett Industries, who supplied cans in which to cart soft drinks to the fire lines.

ONE INSURANCE agent mentioned he had a call on the Thursday the fire got worse requesting additional fire coverage. Needless to say, the caller was refused.

ALTHOUGH WATCHING carefully for fire, smoke, etc., I'm sure I saw Clarke Boesen, (Bank of America) aboard a motor bike in Alta Loma Thursday afternoon, heading for home, or to help a neighbor. Shortly thereafter saw the Rev. Thomas Koske atop his church at Beryl and 19th doing what the majority of the community was doing...wetting down a roof.

RELATED TO FIRE, but fortunately not because this one proved the need, area firemen are launching a fund-raising drive for a burn center in the West End. Although no one was seriously burned in the recent blaze, people are

burned everyday in home and industrial accidents. There is no intensive care burn center in the West End. Injured have to be transported to San Bernardino or Los Angeles for special burn treatment. Firemen feel this should be changed and, even if it takes years, they are going to back the establishment of a specialized burn center in the West End. A baseball game Sunday at 2 p.m. in Upland Memorial Park with Cucamonga-Alta Loma firemen battling Upland-Ontario crews on donkey-back will get the whole thing off the ground.

TALKED TO LEO LAMB, a resident of San Antonio Heights around whose home, along with two others, firemen started the backfire to halt the big blaze a week ago. He gave a lot of credit to firemen for averting danger to the homes which are reached by a flood control access road. Lamb, a contractor who has been building his own house for a year, said the home he is completing there is the first he has ever built with a tile roof rather than shake shingles, and he's "very glad" he did. He feels he could easily have lost the home had he had the shake shingles. One thing about the fire he said, "We always had a feeling of anxiety about the fire danger here. The fire relieved this, at least for the rest of this year." It also chased away the rattlers, he noted.

## And then it rained!

## Gorczyca hired; foes complain

CUCAMONGA -- Amid charges that his appointment was "cut and dried," Leonard Gorczyca was named to the Cucamonga Fire Protection District Board Saturday, Oct. 10.

Gorczyca was chosen unanimously by board members Louis Myskow and Edward B. Hamilton to fill the vacancy left by the death of Louis Vincent.

Hamilton, acting as board secretary, read the letters of application and, immediately on completion of the letters moved that Gorczyca be appointed. He said he has discussed the appointment with Vincent prior to the latter's death and that Gorczyca's appointment "would meet his (Vincent's) wishes."

Following the statement the other two candidates, Julian Robledo and Philip Castellini, along with a woman in the audience, Mrs. Felix Martel, charged the board had already made up its mind and the appointment was "cut and dried."

Later in the session, Mrs. Martel accused the board of being afraid to appoint a Mexican-American to the board. The board's defense that there were two Mexican-American fire fighters did not deter her. She said the board held the power and this was why they didn't

want a Mexican-American on the board.

Prior to seating Gorczyca, a man from the audience asked the board to allow all three applicants to speak on their qualifications. Robledo did, asking, "What good will it do?"

Castellini told the board he felt Gorczyca's appointment was preordained and that he was surprised the board hadn't interviewed all applicants prior to Saturday's meeting. He said Myskow had told him this would happen.

After Gorczyca was seated, Myskow noted the appointment was temporary. An election is slated next year.

## Geologist issues warning:

## Prepare now for mud

The almost inescapable probability of floods and mudslides off the San Gabriel Mountain range above Alta Loma, Cucamonga, Etiwanda and Upland in the wake of moderate to heavy storms this winter was pointed out graphically at Chaffey College last week by Marlon Dickey, associate professor of geology there.

Dickey, who filmed the ravages of the 1969 flood on the Cucamonga District and Glendora, emphasized the need for preparedness by all the residents.

The geologist based his assumptions on what has happened in the past following fire, noting particularly Glendora and the action that community took after the hills about it were burned in the fall of 1968.

Dickey warned that, even with a moderate rain, problems could develop throughout the San Antonio Heights to Etiwanda residential areas.

Following rain, an oozy mass of silt and ash first comes off the mountains, followed by mud and topsoil (as much as 100,000 yards per mile of mountain). Lastly, sand, gravel and bedrock are deposited on the top of the rest, he said.

He showed that Chaffey College and environs is built on an alluvial fan by streams emerging from the San Gabriel Range.

"Man can change and anticipate what can happen on an alluvial fan," he said. He emphasized starting now, through community organization, to prepare for possible floods and mudslides later this year.

The first step, such as Glendora took, would be to survey the mountains to determine the areas which pose potential problems.

Next would be the planting of crops (such as rye grass which the U. S. Forestry and cooperating agencies are now getting underway on the hillsides) and the strengthening and cleaning of existing retaining dikes to hinder the water and slow it as it crosses the alluvial fan.

Other ways to prepare would be:

--Expedite the flow of water through the communities to reduce damage through construction of additional debris basins, channels, levees and walls.

--Clear and clean existing debris basins and channels.

--Each homeowner lay in a supply of 200 sandbags and fill them, ready to be placed strategically should it be necessary.

--Block all vents under homes and have on hand enough plywood to board up all windows and reinforce doors.

--Erect temporary retaining walls of plywood or brick across portion of property most endangered to deflect mud flows.

"It sounds grim, but don't take it that way," Dickey said, "If we get light rains, it could get us through the year with no problems."

"But we can't go on the assumption that rain will be light. We should prepare for the future, whatever it will hold."

"It will take cooperation . . . total community involvement and cooperation," he emphasized.

"If one person fails to take action, a whole group or area can be jeopardized," he said.

He urged contacting community governing agencies with requests that action to avert the potential threat be begun now.

## Robert Fuller heads burn center event

CUCAMONGA -- Cucamonga Firemen's Association and firemen in the West End of San Bernardino County have joined forces in a fund raising benefit program to establish a burn center in the area.

The kickoff benefit will be Sunday, Oct. 18, at 2 p.m. in Upland Memorial Park, 1300 E. Foothill Blvd. Tickets are \$1 each and are available from local firemen and at the gate.

The event will include a Wild West Show by famed Hollywood cowboys and a Donkey baseball game by area firemen.

Robert Fuller, star of "Laramie" and "Wagon Train" and Rick Arnold, top Hollywood stuntman, are among the well-known personalities scheduled to appear at the event.

The burn care center project of area firemen is intended to be available for anyone who suffers burns from fires, explosions, electrical, or chemical mishaps in the area.

Firemen are urging support of the burn center which, they point out, is urgently needed in the West End. The center will be expensive, but the firemen's group feels that through the concerted ef-

Robert Fuller

fort of members of the community, industrial and business leaders, and firemen, the center can become a reality.

### SACH Auxiliary

UPLAND -- "Brides of the Decades" will be the highlighting feature of San Antonio Community Hospital Women's Auxiliary annual Silver Tea Monday, Oct. 19 from 3 until 5 o'clock.

This year's Tea will be held in the hillside home of Mr. and Mrs. Daniel W. Maher.

Highlighting the event will be seven girls modeling wedding gowns belonging to various Auxiliary members. These

gowns, representing each decade, date from the inception of the Auxiliary itself.

Two gowns belonging to brides of the twenties are those of Mrs. Florence West and Mrs. J. Awdry Armstrong.

Mrs. West's gown is sheer and is in today's fashionable midi length.

Miss Ruth Harrison became the bride of J. Awdry Armstrong on Dec. 4, 1923. She chose to wear a gown of heavy satin with lace bodice embroidered with large pearls.

Virginia E. Johnson carried on a family tradition when she became the bride of William E. Preece in 1939. Wearing her mother's gown, who was a bride in 1916, Ginny looked radiant in the silk crepe accordeon-pleated skirt with an overskirt and cape of silk lace imported from France. The bodice is trimmed in seed pearls. The gown was used a third time by Iris Johnson who became the bride of R. B. Anson in the 1940s.

When Mary Louise Patterson became the bride

of A. C. Downing in 1946, she chose to wear a white gown styled with sweetheart neckline and full train.

Known to many West-enders as Mrs. Fred Gattas, Mary L. Meyer became the bride of Dr. Gattas in October of 1955. For her wedding costume, Mary wore a classic gown of taffeta with empire bodice of Alencon lace and slim full-length sleeves.

The fifth gown on display, and that which represents the 1960s belongs to Mrs. James R. Sullivan, nee Marjorie R. Higgins. She chose one that was featured on the cover of Modern Bride magazine.

An underskirt of satin is the first of three skirts. It is covered entirely by another layer of net and

lace. A third tier complements the bodice and this is made of very delicate silk net.

Representing a bride of the seventies, the last gown belongs to Leslie Fay Plasman, now the wife of John C. Lechleiter.

The bride designed her own dress and then had it made in Hong Kong.

Mrs. Hurley Robinson, president of the Auxiliary, extends a cordial invitation to women of the community to come and view these magnificent dresses as they share in the pleasures of the Silver Tea.

All proceeds from the Silver Tea will be used to further Auxiliary philanthropies.

### Catholic Daughters

Members of Court Our Lady of Fatima 1387 has again voted to support Santa Claus, Inc. in the amount of \$25. Mrs. Andrew Subaro, grand regent displayed the certificate of appreciation from the American Cancer Society for efforts in the crusade to conquer cancer at the group's recent meeting. An acknowledgment was also received from Chaffey College for a contribution to their Memorial Fund.

The Rev. Emil Melee, chaplain, urged members to become personally involved in the educational programs provided for their children.

Mrs. Lillian Berny was

elected to the office of one year trustee.

Mrs. Henry Lucas announced the twenty-fifth anniversary dinner will be held Wednesday, Nov. 4 at Holiday Inn Ontario. Reservations will be taken by Mrs. Henry Krejci. The deadline is Oct. 28.

Reservations for the potluck supper on Oct. 30 will be taken by Mrs. Frank Vizzini. The supper will be served at 7 p.m. at the former Knights of Columbus Hall and members and friends are requested to participate in the prizes for the masquerade affair. Reservations should be in by Oct. 25.

### Admiring gown

Talking about the wedding gown worn by Mrs. Shelby Forrest, second from left, are the Mmes. William Rusche, Charles A. Spiker and James L. Glover. The gown, from 1916, is one of several to be featured Oct. 19 at the San Antonio Hospital Auxiliary's Silver Tea.

### Youth activities

#### Upl. Ambassadors

UPLAND -- The Upland Ambassadors will present a cake to the manager of the Upland Feed and Fuel Store, 164 N. Second Ave., in thanks for allowing the club displays to be placed in the store window.

The firm has allowed the displays during 4-H Week for the past three years.

Next on the agenda for the 4-H Club will be a Parent's Night in November.

#### Cub Pack 601

UPLAND -- After a summer of fun and activities planned by Curt Sathre, outdoor activities chairman, Pack 601 got back to business and its regular monthly meetings.

The Cubs reminisced on their trip to General Telephone in Ontario, an exciting Dodge game, a picnic near Lytle Creek and some stock car races in San Bernardino.

It was a big day for Warren Gillespie, son of Mr. and Mrs. Wayland E. Gillespie, Jr., 1090 Edgefield, Upland. Warren bridged to Boy Scouts and was received into Troop 607 by Scoutmasters Robert Ransom and Charles Mantz. Warren was presented his craftsman, showman, athlete, traveler, naturalist and Arrow of Light awards. The Arrow of Light is the only Cub Scout award that can be worn on the Boy Scout uniform.

Other boys receiving awards were Cubs John Flaherty - wolf badge with two arrows and Curt Sathre - silver arrow. Steve Oxarart graduated to Webelos receiving his card, colors and scarf. The "arrow of light" was earned by Webelos, Paul Cowley, Tim Marek and Richard Guzinski. These boys are all members of Webelos Den 2.

Webelos Den 3 boys have been working on their merit awards too. Jeff Gahn received his athlete and scholar awards; Lindsay Hale his athlete, geologist, naturalist and scholar. Chris Moffitt worked hard to achieve his Arrow of Light athlete, naturalist, outdoorsman, scholar, scientist and showman pins. The aquanaut, athlete and outdoorsman awards went to Art King, and Mike Long was given his scientist and scholar awards.

#### Pack 704

ROWLAND HEIGHTS -- "Bicycle Safety" was the theme for the monthly meeting of Cub Scout Pack 704 of Ybarra School when Cubmaster Ron Roberts presented a film and brochures on bicycle safety, courtesy of the California Highway Patrol.

The following awards were presented: Wolf badge, Steven Reynosa and Daniel Evinger; one year pin, Clinton Lukins Ronald Roberts, Billy Dale, Timmy Metsker, Tommy Mackey and Joe O'Donald; two year pin, Robert Hodges; three year pin, Kenny Lukins. The Pack welcomed new Webelos Ivan Brown, Billy Sadowski, Alex Casanova and Billy Dale.

## Boys clubs get boxing

UPLAND - CUCA-MONGA--A boy and boxing go together as naturally as a boy and boys' clubs do. With this in mind, Frank Molino, a member of the Board of Directors for the West End Combined Boys' Clubs of America, initiated boxing into the club's sporting program.

The West End Combined Boys' Club encompasses the Upland, Cucamonga and Ontario clubs. Molino's program began a year ago with the Ontario club, was highly successful, and is now being reviewed for the Upland and Cucamonga branches.

A recent plea for equipment before the Board of Directors of the combined clubs resulted in an anonymous \$200 donation. With the funds Molino has been able to purchase seven pairs of gloves, four pieces of protective head-

gear, a speed bag and a cup protector.

The boxing club now has approximately twelve members. Molino's boxing program received a shot-in-the-arm when Beto Maldonado offered his assistance. Maldonado is a prizefighter with a soft spot in heart for kids.

Together they work with the boys in the "manly art of self-defense," teaching them not only boxing skills, but proper protective measures and good sportsmanship.

If the boxing program is to extend into the Cucamonga and Upland clubs, financial backing will be needed.

Interested persons may obtain more information about the West End Combined Boys' Club boxing program by contacting Frank Molino, 984-6525, before 2 p.m.

## Packs a punch

Two local boys' club members took home trophies.

## Bearcats in action

End Steve Gaylord of Bonita High School's Green Machine goes for Ganesha pass, while the hapless Giants struggle for possession of the ball. Bonita blanked Ganesha, 26-0. At its Homecoming game Friday night, Bonita will host Garey High in SAL competition.

## Bonita downs Garey

LAVERNE -- The Bonita Bearcat "Green Monster" appeared somewhat subdued Thursday night against the Ganesha Giants at MSAC Stadium, but rolled to an easy 26-0 victory.

The usually explosive Bearcats played a conventional run-of-the-mill high school football game in registering their first shut-out in several years. The lowest allowed point total in the 1969 season was a 20-6 victory over Upland in their unbeaten SAL conquest.

Offensively, their premier halfback, Allen Carter, racked up his 9th and 10th TD's; Ray Anderson scored his fourth; John Wallace registered his first on a 24-yard pass play from Anderson.

The game was highlighted by many outstanding football performances. Allen Carter had a 65-yard touchdown run called back when one of his mates was offside. Carter has been unfortunate this season in having several TD's nullified by penalties.

In the defensive department, Steve Gaylord,

Fritz Sahl, Hank Walther, Larry Morgan and Phil Aris made tremendous contributions. A new defensive star arose as Gary Gribbon registered 11 tackles, six of which were unassisted and included a super-stop of not only Giant QB Tony Madrigal, but his blocking back escort.

QB Ray Anderson was fairly good with 6 for 12, and one interception, but he would have been more effective had many of his aeriels not been overthrown.

Bonita made 215 yards on the ground and 178 in the air. Anderson was 9 for 18 passing. Carter had 159 yards rushing in 24 carries; Anderson 38 yards in 7 carries; and John Wallace 13 in two trips. Ganesha's Bob Baxter's 140 yards in 29 carries branded him as the busiest runner in the game.

A huge turnout is expected for Friday's game with Garey at Bearcat Stadium. The Annual Homecoming Queen will be crowned to highlight the half-time festivities.

## Ramona squad opens season

SAN DIMAS - The eighth grade football team from Ramona Intermediate School began their 1970 season with a 6-0 win over Foothill Junior High School of Azusa. Outstanding in the Raider victory was the defensive work of Brad Frick, Ted Arnold, David Cazares, and Ross Thompson.

Ramona's touchdown was set up by a 35 yard run by Marshall Ansley on a draw

play. Harold Drake then scored the winning touchdown on a quarterback sneak. Key blocking was given the Raider's backs by Walter Walker, Richard Lober, Allen Rojas, John Herman and Paul Willman.

The Ramona team consists of 48 players, the majority of whom played on the seventh grade team that compiled a 10-1 record in 1969.

Coaches are Bob Stauffer and Ed Fairbanks.

## Damien ekes victory 8-6

LA VERNE - Damien High Spartans were victorious against Sierra Vista Dons Saturday, 8-6 after a broken extra-point play added to the luck of a poor Damien performance.

Two Damien touchdowns were called back by penalties, and had only 13 offense plays in the second half, as opposed to the Dons' 35.

But the first half belonged to the Spartans, who marched 88 yards on their first offensive series to score their only

touchdown. Joe Baumgartner scored, from the one-yard line, after a 63-yard pass from Kevin Carroll to Dennis Rice. For the extra two points Villanueva ran around the left end.

Damien had 194 offensive yards the first half, but only two first downs and 44-yards in the final 24 minutes.

The Spartans, 2-2, host Bakersfield Highland this week in the final non-league game before Santa Fe League bouts open.

## Simonsen-Burak

UPLAND -- Sandra Marie Burak became the bride of Roger Allen Simonsen during late summer single ring ceremony in the Presbyterian Church of Ontario.

The daughter of Upland residents Mr. and Mrs. Zigmund Burak wore an empire styled gown fashioned with a redingote effect. Hand clipped Chantilly lace over peau de soie was highlighted with a Watteau scalloped chapel train. The high neckline and long sleeves were frothed with lace. Alencon lace petals embroidered with seed pearls and crystal held the four-tier, finger-tip length veil. Her nose-gay was made of white daisies, baby roses and pom poms.

Lavender and pink were the colors chosen for the bridal party. Debbie Whitcomb of Ontario served as maid of honor. The junior bridesmaid was Lisa Burak, sister of the bride and Dorothy Moseley of Ontario.

William Teal of Los Angeles stood as best man for Simonsen, the son of Mrs. William Simonsen and the late Mr. Simonsen of Ontario. Ushering guests were Michael Gruenke of Ontario; Jeff Burak, brother of the bride; Steve Simonsen and junior usher, Billy Simonsen, both brothers of the groom.

A reception was held in the church hall where Frances Wells attended the guest book. Dinner followed at the Monterey House.

The new Mrs. Simonsen is a graduate of Chaffey College, as is her groom. She is a licensed vocational nurse and works at Casa Colina Rehabilitation Hospital.

Simonsen is attending Cal Poly, Pomona and works at a car rental agency.

Long traditional sleeves and an illusion yoke of chantilly lace highlighted the gown. The hem was deeply encrusted with pearl accented rose point lace. She carried orchids and Stephanotis.

Helen M. Wassner, sister of the bride, served as her maid of honor. She and the bridesmaids were attired in similar pink organza dresses with lace sleeves and carried cascades of baby roses. The bridesmaids were Mrs. Daniel Lemons of Cucamonga and the Misses Berni Liabeuf, Fontana; Anita Michael, Alta Loma; and Ardie Steward of Alta Loma.

## Indian culture week plans made

When a plane from North Dakota lands at Los Angeles International Airport Monday, Oct. 19 with a cargo of frozen buffalo meat, it will be met by a posse from California State Polytechnic College, Kellogg-Voorhis, Pomona. They are students and staff involved in planning the events for Indian Culture Week at the college, Oct. 19-25. The week will be climaxed with an Indian Culture Fair and barbecue on Saturday and Sunday, Oct. 24 and 25, from noon until 9 p.m. in the campus Rose Garden.

The weekend pow-wow, sponsored by the students with the assistance of the Center of Chicano and American Indian Studies, will feature Indian dancers, artists, craftsmen, displays and demonstrations, Indian food and artifacts, and the barbecue. Admission for the entire affair including the dinner of buffalo meat, corn bread, barbecued beans and green salad is \$3 for adults and \$1.75 for children under 12. An attendance of 3000 is expected during the two days of the fair.

Other events planned for the week on campus are two panel discussions

by faculty from the history and the behavioral sciences and social services departments; a Jeff Chandler movie, "War Arrow," to be followed by a discussion of Hollywood's view of the Indian; and guest speaker Harvey Wells, representative of the Red Power group connected with the Alcatraz takeover.

According to Don Canestro, director of the Center for Chicano and American Indian Studies, Cal Poly, Pomona has five Indians enrolled, from the Apache, Sioux, Navajo, and the California Mission Indians.

Both one-act operas will be previewed by Stefan Petroff, Conductor and Director of the West End Opera Association.

Sponsoring the "Aperitivo" is the newly formed West End Opera Guild. The purpose of the Guild is to promote and sup-

port the Association in its unique service to the community. Membership is open to all women interested in developing and advancing this cultural medium.

The "Aperitivo" will be given in the home of Mrs. Karl Seligman of Alta Loma on Wednesday, Oct. 21, from 1 to 4 p.m.

## Immunization clinic date set 'Rally for Hope' — help others

A special night immunization clinic will be held at the Azusa Health Center, 150 N. Azusa Ave., Azusa on Thursday, Oct. 15, from 6 to 8 p.m.

Immunizations against diphtheria, whooping cough, tetanus and smallpox will be given free of charge. Rubella (German measles) immunizations will be given free of charge to children ages one through nine. For those children five years of age and under, immunizations against measles and polio will be given free of charge.

For children six years and over, there will be a minimal charge of \$1 for polio and \$2 for measles for those who can afford to pay.

Dr. Chester C. Burski, District Health Officer, urges all parents to take advantage of this opportunity to protect their children against these harmful but preventable diseases. Children must be accompanied by a parent or legal guardian. Please bring all previous immunization records to the clinic.

"Rally for Hope" is scheduled for Friday, Oct. 16 at California State Polytechnic College, when a gimmick car rally will begin at 6:30 p.m. in the Physical Education building parking lot. Sponsored by Sigma Theta Phi, the event is open to the public, all proceeds go to the City of Hope Medical Center for the purchase of medicine.

Over a 50-75 mile area the cars will follow a code through the rally course. Points are given based on the amount of time taken

to complete the course, the mileage on the car and the correct answering of questions by the driver. Prizes will be given for the first, second and third place, the latter being the driver who comes in last.

The rally is a kickoff for the new club project of raising money for the City of Hope. Donations are \$2.50 per car. Tickets are for sale the evening of the rally at the P. E. Building on the campus, and beforehand at the commuter cafeteria at Cal Poly.

## These Women Reduced with Pat Walker

### Mrs. Christine House, Pasadena

For many years I had tried to lose weight, unsuccessfully. One day in a Pat Walker advertisement, I noticed that the girl featured in the photo was a friend of mine, whom I knew had a long-standing weight problem. I went to see her and was amazed at how great she looked. I figured that if Pat Walker could help my friend Nadine, she could help me. Only someone who has been overweight can understand the feeling of walking into a room knowing you look heavy. Since I began my program, I feel young again and have so much confidence. And most important, I am much slimmer and am still going down.

### Mrs. Joyce Hood, Glendale

Recently I took a good look at myself and realized that the "few pounds" I had been putting on month after month had suddenly made me a very unattractive and bulging 176 pounds. I finally decided to go to Pat Walker's because I felt that an investment in beauty is the most important and rewarding investment a woman can make. The luxury of passive exercise with its resultant healthful increased circulation and complete body firming helped me achieve what nothing else in my entire life was able to accomplish. For the first time, I am wearing a size 12 dress, having lost 41 pounds.

### Mrs. S. Froman, Northridge

Mrs. Froman said, "With the Pat Walker program pounds and inches have disappeared, especially from areas where I had trouble reducing in the past." Mrs. Froman reduced 3½ inches from her bust, 5 inches from her underbust, 6¼ inches from her waist, 8½ inches from her abdomen, 7½ inches from her hips, 4 inches from each thigh and 3½ inches from each upper arm. Mrs. Froman reduced from 151½ pound size 15 to 115 pound size 7.

### Mrs. Rhodes, Montclair

The most pleasant way to reduce which could be dreamed of... that's what I found at the Pat Walker Salon. I have gone from a size 52 to an unbelievable size 14! Although they kept accurate records, I really don't need to be shown the results. It's such fun to not be recognized by an old acquaintance and have to tell them who I am.

Coombs**

LA VERNE -- Susie Ann Chan, a young woman with an important assignment, will be keynote speaker at the United Nations 25th Anniversary Community Conference to be held at La Verne College on Friday, Oct. 16.

Miss Chan is President Nixon's appointee as youth advisor to the United States Delegation at the United Nations and she will speak on "Youth and The United Nations."

The conference, sponsored jointly by the American Association of University Women, the Leagues of Women Voters from several Pomona and San Gabriel cities, the United Nations Association, and Pi Gamma Mu at La Verne College, has as its specific title, "Controlling Con-

flicts in the 70s." "Methods and possibilities for controlling world conflicts in the 1970s will be explored," said Dr. Margaret R. Preska, assistant professor of history at La Verne and chairman of the Pomona Valley U.N. 25th Anniversary Conference.

Members of the sponsoring organizations, students from La Verne and neighboring colleges, area high school students and the general public are expected to participate in the day-long session being held in La Verne Hall on the La Verne campus.

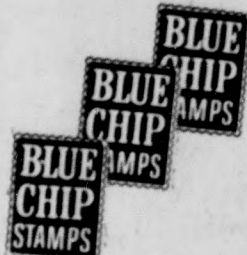

Group discussion on future U.S. policies in the U.N. will take place from 10 a.m. to 12:45 p.m. and then a formal poll will be taken. Dr. Preska said results of the conference poll will be presented to the U. S. State Department.

Key participants in addition to Miss Chan, who is scheduled to speak at p.m., are La Verne President L. B. Newcomer, Dr. Harold Fasnacht, President Emeritus of La Verne College; Dr. James Gould, professor of international relations, Scripps College; Mrs.

## Hearing screening next week

DIAMOND BAR - Parents have a tendency to assume that their young preschoolers have "normal" hearing, but are they sure? Some authorities in this field contend that "one of every ten four-year-olds suffers from a hidden hearing deficiency."

Parents of preschoolers in Diamond Bar now have the opportunity to find out if their children have a problem in hear-

ing.

The Diamond Bar Junior Woman's club will sponsor a free Community Hearing Screening to be conducted by Audiologists from John Tracy Clinic.

The testers will use the most advanced electronic equipment to detect hearing impairment among children not yet ready for school.

Hearing Screening will be held at Northminster Presbyterian Church on

October 22 and 23, from 9:30 a.m. to 2 p.m.

John Tracy Clinic is an educational institution devoted to the training of preschool deaf children and their parents, founded in 1942 by Mrs. Spencer Tracy and named for her son John Tracy who was born deaf.

Appointments for testing must be made in advance and a reservation arranged by calling 595-3437.

## Senior Citizens dinner planned

The fifth annual dinner meeting of the Affiliated Committees on Aging, County of Los Angeles, will be held Thursday, Oct. 22 at 7 p.m. in the Fellowship Hall of the Wilshire Christian Church, 634 S. Normandie Ave., Los Angeles. The program is being coordinated by the L. A.

County Department of Senior Citizens Affairs. Many prominent men and women from throughout the greater metropolitan area will discuss "Issues of the '70's" as they apply to senior citizens. Featured speaker for the evening will be Mrs. Marjorie Borchardt, president of International

Senior Citizens, Inc. who will talk on "A World Wide Senior Citizens Movement."

Cost of the dinner is \$2.50 and the public is invited. Reservations may be made by writing Affiliated Committee on Aging, 601 S. Kingsley Dr., Los Angeles, 90005.

## Kulture Klatch plans made

A Kulture Klatch and Festival of Arts and Crafts will be held at 3 p.m. Sunday, Oct. 18, at the Chaffey Communities Cultural Center, 525 W. 18th St., Upland.

The festival will be highlighted by illustrated techniques of a variety of arts and crafts. Holiday gifts will be sold and orders will be taken for a number of hand made art pieces.

Mrs. Beatrice Riggs, president of the museum, said the program is open to the public and suggests that church groups interested in hobbies, including stitching might attend to exchange ideas at the workshop.

Refreshments will be served, and the festival will close at 5 p.m.

# "I REMEMBER"

From Dora Bohm, Edwardsville, Ill.: "It was a 'Red Letter Week' at our little country school. On Monday morning, Miss Ella, our favorite teacher, announced that the three directors had given consent for us to have a float in the Centennial Parade."

We decided to have a pink rose float, using pink crepe paper roses entwined around a semicircular arch, extending from the front to the back of a wagon. Neighbor Bode, proud owner of a new hay frame, offered to let us use it. Charlie Hydron's father, a born carpenter, was happy to build the arch. We chose the finest mules in the area, Bird and Bell, a sleek pair, to pull the float. Jovial Bill Schmidt agreed to be our driver.

At a table in the back of the room, we pupils made hundreds of beautiful pink roses during the noon hour, at recess, before and after school. By Friday, we had bushel baskets full of roses, and began twining them around the arch.

Bright and early Saturday morning, dressed in our Sunday best, we were on the float, with Miss Ella, our pretty teacher, seated in the center. Along the parade route, we sang, "My Old Kentucky Home," "Blue Bells of Scotland," and "There's Music In the Air."

All too soon the breathtaking moment came. The pink rose float won first prize. A large, brown-framed picture of Harriet Beecher Stowe. For more than forty years that picture graced the wall of our school room. When consolidation took place, the picture disappeared."

## SUNDAY'S SERMON

**Your House**  
What kind of a house do you live in? If you answer brick, or wood, or stone, you do not understand the question. Perhaps we should put it another way: Is your house a home?  
Home, as the poet has said, is "where the heart is." And yet, much more. Home is a place of comfort, of rest and security, of real happiness. It is not just "living" that makes a house a home; it is more.  
Home is where love and affection abound, where someone helps, where someone cares. A house cannot be a home just at mealtime, or only in the late hours of the evening. If a house is a home, there's love and warmth enough to last around the clock, each and every day of the year.

## FACTS and FANCIES

Nowadays, some 4,200,000 babies are born each year in the United States, where child-bearing is presently more than 15 times as safe for the mother as it was only a generation ago!

If you lived in North Carolina, would you "dare" name your infant girl "Virginia"? In 1587 someone did! America's first child born of English parents was, of course, Virginia Dare, first seeing the light of day in North Carolina. Virginia as a name, however, has nothing to do with the state called "the Mother of Presidents," but is the feminine of "Virginius"—name of an old Roman clan!

Babies perceive more than meets the eye! In six months a baby can be aware that parents are indoctrinated to that five o'clock feeding! Dr. Benjamin Spock's suggestion for gradually changing an infant's "uncivilized" waking habits, is to set the alarm five minutes later each morning until blissfully you can sleep to the working man's seven a.m. rising!

One way to make sure the new baby sleeps soundly, and as long as is good for him and parents, too, is having on hand a collection of night and day diapers. Babies know the difference when you've stocked up on Curly Night Diapers with extra absorbent qualities.

Many years ago, when an infant had the colic, the nurse was treated! It was assumed she would pass on the cure to the baby!
